11/06/14 CCPP Meeting Agenda

New Business

YRBS Data Retreat: County YRBS data should be arriving the beginning of November. We will now have a complete picture of areas of concern in Clark County. However, first we need to combine the findings into one data pool. We are looking to schedule a data retreat for the evening of November 18th or 20th. A meeting to finalize our findings will occur on November 26th.

Optimist Club Christmas Party: We are spreading joy and information this holiday season. We will once again be setting up a face painting table at this year's Christmas party. The event will take place on December 13th from 1 to 3. We are looking for a few extra volunteers to help spread Christmas cheer.

4-H Discovery Day: Chris Hollar will be presenting on new trends and risky behaviors including: energy drinks, vaping, snus, and the influx of candy-like marijuana products. This informational event will focus on upcoming and current trends and presents a wide array of useful information for parents in Clark County.

Operation Promise: CCPP will be partnering with Operation Promise (an inter-city youth group from Milwaukee) to provide a youth enrichment day in Clark County. Potential activities include touring a dairy, sledding, and snowshoeing. We are looking for volunteers and donations for this event. We hope the children will be prepared for a day of outdoor activities, but we are taking donations of out-grown winter boots and jackets just in case. Please contact **Amanda Smagacz** if you would like to volunteer or donate materials.

Updates

Guiding Good Choices: GGC is a program designed to help parents communicate with their children about important topics such as drugs, alcohol, and tobacco. **Amanda Smagacz** will update the group on the first training session and discussing potential needs for future events.

Art Mentoring Program: Art provides an additional form of communication for those struggling to express their emotions. **Shawn Ganther** has updates on this programs and the first successful session in Owen with the House of Friends program.

BLAST: Being a Leader and Standing Tall is a youth leadership program supported by the CCPP. Shawn has been working to establish and support BLAST teams in local communities. The first county BLAST meeting is scheduled for November 12th.

Our next meeting will be held on December 9th at 5:00 in the Neillsville Courthouse Auditorium (Room 101).
