03/03/15 CCPP Meeting Agenda

New Business

Clark County Prescription Disposal Program: Amanda will share updates on disposal protocol and changes to the program in the coming year.

Altering the Legal Landscape: Shawn and Amanda will share new information on the legalization of marijuana, marijuana legislation, and how this has changed the prevention landscape.

BLAST: Without an AmeriCorps member next year, we need to re-examine the BLAST program and its stability. We are also taking some time to see how this program will fit with PH's new Youth in Action group.

CCPP Growth and Collaboration: The Partnership has been brainstorming growth for some time now. We are looking for communities and key stakeholders to begin moving forward.

Updates

PREVCON 15: The prevention conference was a smashing success. Four CCPP members attended the conference and are looking forward to sharing and using what they learned.

Clark County Fair: It doesn't look like we're going to be able to partner with WCCN for the fair. Therefore, we need to continue brainstorm programming for that event.

Next meetingJuly 21st at 5PM in the Neillsville Courthouse Auditorium
